Item No. 3: Reappointment of Ms. Seema Sharma (DIN: 08728701) as Independent Director of the Company

As per Section 149(10) of the Act, an Independent Director shall hold office for a term of up to 5 (five) consecutive years on the Board but shall be eligible for re-appointment on passing of special resolution by the Company for another term of upto 5 (five) consecutive years.

Ms. Seema Sharma (DIN: 08728701) was appointed as an Additional (Independent) Director of the Company pursuant to Section 149 of the Act, read with applicable rules framed thereunder and SEBI Listing Regulations, effective from March 31, 2020, to hold office up to March 30, 2025. Thereafter, the members, at their 31st Annual General Meeting (AGM) held on September 30, 2020 had approved the same. Consequently, the tenure of Ms. Seema Sharma as an Independent Director shall expire on March 30, 2025.

Following the performance evaluation of Ms. Seema Sharma, as well as the belief that her continued association would be beneficial to the Company, the Board of Directors, based on the recommendation of the Nomination and Remuneration Committee (NRC), recommended the re-appointment of Ms. Seema Sharma as a Non-Executive Independent Director of the Company, not liable to retire by rotation, for a second term of five years, from March 31, 2025 to March 30, 2030, subject to the approval of the Members.

Ms. Seema Sharma fulfills the requirements of an Independent Director as laid down under Section 149(6) of the Act, and Regulation 16(1)(b) of the SEBI Listing Regulations. The Company has received all statutory disclosures / declarations from Ms. Seema Sharma for her reappointment as Independent Director of the Company. Ms. Seema Sharma is a person of integrity, possesses the relevant expertise/experience, and fulfills the conditions specified in the Act and the Listing Regulations for appointment as an Independent Director, and she is independent of the management. In terms of Regulation 25(8) of Listing Regulations, Ms. Seema Sharma has confirmed that she is not aware of any circumstance or situation that exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties. Furthermore, a declaration has been received from Ms. Seema Sharma that she has not been debarred from holding the office of a Director by virtue of any order passed by SEBI or any other such authority.

Company has also received a Notice in writing from a Member under Section 160(1) of the Act proposing her candidature for the office of Director. The terms and conditions of appointment/reappointment of the Independent Directors are uploaded on the website of the Company.

In the opinion of the Board Ms. Seema Sharma fulfils the conditions specified in the Act, and Rules made thereunder and SEBI Listing Regulations for her reappointment as an Independent Director of the Company and she is independent of the Management of the Company. The Board considers that her continued association would be of benefit to the Company and it is desirable to continue to avail her services as an Independent Director.

In terms of the provisions of Sections 149, 150, 152 read with Schedule IV and all other applicable provisions of the Act and the Listing Regulations, and as per Articles of Association of the Company and based on the recommendation of the NRC, the Board of Directors, recommended the reappointment of Ms. Seema Sharma as an Independent Director, not liable to retire by rotation, for a second term of 5 (five) years effective March 31, 2025 up to March 30, 2030 (both days inclusive).

The profile and specific areas of expertise and other relevant information as required under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 are provided in additional information section of this Notice as **Annexure-A**.

No director, KMP or their relatives except Ms. Seema Sharma, to whom the resolution relates, is interested in or concerned, financially or otherwise, in passing the proposed resolution as set out in Item no. 3

The Board recommends the special resolution as set out in Item no. 3 of this notice for the approval of members.

Necessary documents in this regard are available for inspection by the Members in electronic mode under Investor Relations link of Company's Website www.shrigangindustries.com.

Item No. 4: Appointment of Mr. Vivek Singh Khichar (DIN: 10749725) as Director of the Company

Pursuant to the provisions of Section 161(1) of the Companies Act, 2013 and Article 96 of the Articles of Association of the Company, the Board of Directors, on the recommendation of Nomination and Remuneration Committee, appointed Mr. Vivek Singh Khichar (DIN: 10749725) as an Additional Director under the category Non-Executive Non-Independent Professional Director, with effect from August 30, 2024, liable to retire by rotation.

In terms of Section 161(1) of the Act, Mr. Vivek Singh Khichar holds the office of Additional Director upto the date of this Annual General Meeting of the Company, and is eligible for appointment as a Director. The Company has received a notice in writing from a Member, in terms of Section 160(1) of the Act, proposing his candidature for the office of Director.

Mr. Vivek Singh Khichar has also confirmed that he is not disqualified from being appointed as Director, in terms of the provisions of Section 164(1), 164(2) of the Act and is not debarred to hold the office of a Director by virtue of any order passed by SEBI or any other authority and has given his consent to act as a Director of the Company.

A brief profile of Mr. Vivek Singh Khichar, including nature of his expertise and other relevant information as required to be furnished pursuant to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 are provided in additional information section of this Notice as **Annexure-A**.

No director, KMP or their relatives except Mr. Vivek Singh Khichar, to whom this resolution relates, is interested in or concerned, financially or otherwise, in passing the proposed resolution as set out in Item no. 4.

The Board recommends the Ordinary Resolution as set out in Item no. 4 of this notice for the approval of members.

Item No. 5: Increase in Remuneration of Mr. Arun Kumar Sharma (DIN: 09008061), Whole Time Director of the Company

Mr. Arun Kumar Sharma was re-appointed as Whole Time Director designated as Key Managerial Personnel of the Company, for a period of 2 years upto November 12, 2025, by way of Ordinary Resolution passed by the members of the Company in their meeting held on September 22, 2023 with a monthly remuneration not exceeding Rs. 2,50,000/-.

Mr. Arun Kumar Sharma has provided dedicated and meritorious services and significant contribution to the overall growth of the Company. He is currently looking for the operations in the Distillery Unit of the Company. Therefore, the Board is of the view that the existing upper limit of his remuneration may not be sufficient enough to pay for his dedication & support.

Accordingly, the Nomination and Remuneration Committee and the Board of Directors in their respective meetings held on August 30, 2024, pursuant to the provisions of the Act and subject to approval of the Members of the Company, approved the proposal to increase the monthly remuneration payable to Mr. Arun Kumar Sharma for an amount not exceeding Rs. 3,00,000/- per month for the remaining period of his term, i.e., upto November 12, 2025.

In compliance with the provisions of Sections 179, 196, 197, 198 read with rules framed thereunder and other applicable provisions of the Companies Act, 2013 read with Schedule V to the Act, the terms of remuneration as set out in Item No. 5 are now being placed before the members for their approval by way of Special Resolution.

The profile and specific areas of expertise and other relevant information as required under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard-2 are provided in additional information section of this Notice as **Annexure-A**.

No director, KMP or their relatives except Mr. Arun Kumar Sharma, to whom the resolution relates, is interested in or concerned, financially or otherwise, in passing the proposed resolution as set out in Item no. 5.

Necessary documents in this regard are available for inspection by the Members in electronic mode under Investor Relations link of Company's Website www.shrigangindustries.com.

CORPORATE GOVERNANCE REPORT

A good Corporate Governance is a system by which Companies are directed and controlled by the management in the best interest of the stakeholders and others. Corporate Governance ensures fairness, transparency and integrity of the Management. Corporate Governance is a way of life, rather than a mere legal compulsion. It further inspires and strengthens investor's confidence and commitment to the Companies. Your company has been practicing the principles of Good Corporate Governance for the last many years.

Corporate governance is of paramount importance to a company and is almost as important as its primary business plan. When executed effectively, it can prevent corporate scandals, fraud and the civil and criminal liability of the company. It also enhances a company's image in the public eye as a self-policing company that is responsible and worthy of shareholder and debt-holder capital. It dictates the shared philosophy, practices and culture of an organization and its employees. A corporation without a system of corporate governance is often regarded as a body without a soul or conscience. Corporate governance keeps a company honest and out of trouble. If this shared philosophy breaks down, then corners will be cut, products will be defective and management will grow complacent and corrupt. The end result is a fall that will occur when gravity - in the form of audited financial reports, criminal investigations and federal probes - finally catches up, bankrupting the company overnight. Dishonest and unethical dealings can cause shareholders to flee out of fear, distrust and disgust.

The Company has a mission to provide sustainable advanced solution and service to our customers, long term partnership with its investors, maximizing value to our stakeholders, clients, suppliers and its employees.

This has been articulated through the Company's Code of Business Conduct and Ethics, Corporate Governance guidelines, charters of various sub-committees of the Company's Disclosure policies. These policies seek to focus on enhancement of long-term stakeholder's value without comprising on Ethical Standards and Corporate Social Responsibilities.

It is essential that good governance practices must be effectively implemented and enforced preferably by self-regulation and voluntary adoption of ethical code of business conduct.

The effective implementation of good governance practices would ensure investors' confidence in the corporate companies which will lead to greater investment in them ensuring their sustained growth. Thus good corporate governance would greatly benefit the companies enabling them to thrive and prosper.

1. Company's Philosophy

Company Philosophy on Corporate Governance is founded upon a rich legacy of fair ethical and transparent Governance practices, many of which were in place even before they were mandated by adopting highest standards of professionalism, honesty, integrity and ethical behavior. Corporate governance is about maximizing shareholder value legally, ethically and on a sustainable basis. The goal of corporate governance is to ensure fairness for every stakeholder – our customers, investors, vendor-partners, the community, and the government. We believe that sound corporate governance is critical in enhancing and retaining investor trust.

The Company believes in adopting best practices in the area of corporate governance and follows the principles of full transparency and accountability by providing information on various issues concerning the Company's business and financial performance to its shareholders. The Company's activities are carried out in accordance with good corporate practices and the Company is constantly striving to better them and adopt the best practices. The Company will continue to focus its resources, strengths and strategies to achieve growth in business.

The Company has evolved and followed the corporate governance guidelines and best practices sincerely to not just boost long-term shareholder value, but to also respect minority rights. We consider it our inherent responsibility to disclose timely and accurate information regarding our financials and performance, as well as the leadership and governance of the Company.

We believe that our company shall go beyond adherence to regulatory framework. Our corporate structure, business, operations and disclosure practices have been strictly aligned to our Corporate Governance Philosophy. Transparency, accountability, fairness and intensive communication with stakeholders are integral to our functioning. We believe in system driven performance and performance-oriented systems. We accord highest priority to these systems and protect the interests of all our shareholders.

The Board considers itself as the Trustee of its Shareholders. During the period under review, the Board continued its pursuit by adopting and monitoring of corporate strategies, prudent business plans, major risks and ensuring that the Company pursues policies and procedures to satisfy its social, legal and ethical responsibilities.

Your Company has adopted best of corporate governance practices and is based on following principles:

- Corporate Governance Standards should satisfy both the spirit of the law and the letter of the law.
- Accountability for functioning and transparency in conduct.
- Have a simple and transparent corporate structure driven solely by business needs.
- Compliance with applicable laws and regulations
- Value creation and wealth maximization for stakeholders.
- The Management is the trustee of the members' capital and not the owner

2. Board of Directors

GLOBAL ALCOHOLIC BEVERAGE INDUSTRY OVERVIEW

The alcoholic beverages market size was valued at USD 2,313.2 billion in 2023 and is projected to grow from USD 2,527.0 billion in 2024 to USD 5,716.2 billion by 2032, exhibiting a CAGR of 10.74% during 2024-2032. Asia Pacific dominated the alcoholic beverages market with a market share of 40.44% in 2023.

The global COVID-19 pandemic has been unprecedented and staggering, with alcoholic beverages experiencing lower-than-anticipated demand across all regions compared to pre-pandemic levels.

The global alcoholic beverages markets experiencing a rapid increase in demand due to various factors such as a growing youth population, rising middle-class income and a robust economy. Consumers are seeking new and innovative alcoholic beverage options.

Further, consumers are becoming more aware of the potential negative effects of consuming low-alcohol beverages, which is leading to an increased demand for higher-alcohol content beverages. This shift in consumer preferences is driving the growth of high-performance and high-quality alcoholic beverage manufacturers, who are experiencing significant commercial success.

INDIAN ALCOHOLIC BEVERAGES MARKET OVERVIEW

The overall volume of the alcoholic drinks market is expected to reach 14,100 mn litres by 2027, with a growth rate of 3.9% in 2024. On average, each person is expected to consume 8.58 litres of alcoholic beverages in 2024.

India is one of the fastest growing and most diverse alcoholic beverages market globally. The alcoholic beverage sector has a high-growth potential given the favorable demographics and increasing social acceptance. The alcoholic beverages industry in India has experienced remarkable growth in recent years. This growth can be attributed to several factors, such as rapid urbanisation, evolving consumer preferences, a youthful demography, a burgeoning middle-class population with greater purchasing power and the growing preference for premium alcoholic beverages among consumers. Additionally, the increasing variety in the flavors of alcoholic drinks, along with expanding product portfolio by manufacturers, is poised to stimulate growth in the alcohol market.

Alcohol consumption surged across various demographics, as a growing number of individuals, both men and women, entered the legal drinking age. The legal drinking age in India varies from 18 - 25 years, depending on the state, highlighting the conducive environment for the alcohol market's robust growth. The consumer landscape in India has traditionally been a classic "pyramid", with a large number of households with low incomes forming the base, and a small number of households with large incomes the pinnacle. With growth being fuelled by both the economic development and the demographic dividend, India has seen this classic pyramid morph into a diamond shape with the emergence of a rapidly growing "middle class" and the consumer landscape segmenting into three distinct groups – Affluent, Middle and Aspiring - each with distinct consumption drivers and needs.

Market segmentation: The Indian Liquor industry is segmented into IMFL (Indian Made Foreign Liquor), IMIL (Indian Made Indian Liquor), Wine, Beer and imported alcohol. Whiskey dominates the Indian spirits industry by a very wide margin.

Consumption pattern: Liquor stores serve as the predominant sales channel nationwide, especially since its consumption primarily occurs outdoors, with supermarkets and malls mainly concentrated in tier I and tier II cities of India. While the average per-adult alcohol consumption in India remains considerably low compared to countries like the United States, there is a notable prevalence of drinkers among young Indians. This presents a tremendous opportunity to propel the growth of this industry, on the back of the expanding working-age population. Anticipated shifts in lifestyle and aspiration among Indians are expected to increase per capita consumption in line with global trends & huge penetration headroom.

Whiskey trumps the IMFL category in India. Moreover, vodka is flourishing as a consequence of a rise in pubs, hotels and restaurants, in addition to emerging nightlife and consumer choices. The alcohol industry contributes significantly to the Indian economy. It not only generates up to 2 Lakh Crore in revenue to the states, but it also effectively assists nearly 40 Lakh farmers.

INDIAN WHISKY SEGMENT OVERVIEW

India is one of the fastest growing liquor markets in the world. Alcoholic beverages are considered a sunrise industry owing to its high-growth potential and increasing social acceptance. Growth in urban population coupled with the increasing disposable income is projected to propel the market growth of alcohol. Moreover, the advent of variety in the flavor of alcohol coupled with the expanding product portfolio by the manufacturers has further projected to boost the growth of alcohol market.

India is primarily a market for brown spirits, with whisky holding the lion's share. In fact, we are the world's largest whisky market by consumption, accounting for 10% of global liquor consumption. The whisky segment is a significant contributor to the alcoholic drinks market, with a revenue of US\$ 18.38 bn expected in 2024 and an estimated annual growth rate of 5.34% from 2023 to 2027.

On a per capita basis, the revenue generated in the whisky segment is expected to be US\$ 12.95 in 2023. The volume of whisky reached 3.93 bn litres by 2027, with a growth rate of 2.6% in 2024.

On average, each person is expected to consume 2.51 liters of whisky in 2024. Whisky consumption is expected to reach 289.49 mn cases by 2027-28. In 2021, India consumed 237.22 mn cases of whisky. Consumers' preference for quality whisky, is witnessing rapid growth for premium whisky at a CAGR of 15.66% over the projected timeframe. The super-premium range of whisky is expensive and in short supply because it is exclusively available to the country's elite class.

INDIAN EXTRA-NEUTRAL ALCOHOL MARKET

The Indian Market for the ENA was valued at Rs. 97.7 bn in 2022 and is expected to grow at a compound annual growth rate of 4.21 % for the next 5 years. In India, almost 90% of ENA is used for potable alcohol. Increased consumer disposable incomes, rapidly growing Western influence, cultural views toward drinking and a fundamental change from country liquor to Indian-made foreign liquor (IMFL) are driving the increased production and consumption of potable alcohol made ENA in India.

INDIAN MADE FOREIGN LIQUOR SEGMENT OVERVIEW

The Indian Made Foreign Liquor (IMFL) Market is a dynamic and integral part of India's alcoholic beverage industry. This segment encompasses a diverse range of spirits produced domestically, drawing inspiration from foreign distillation techniques and recipes. The IMFL Market has witnessed substantial growth in recent years, fuelled by changing consumer preferences, rising disposable incomes, and an expanding urban population.

Overview of the IMFL Market:

The IMFL Market includes various types of liquors such as whiskey, rum, brandy, vodka, and gin. These beverages are crafted within India, incorporating both indigenous and foreign influences to create distinctive flavor profiles. Unlike country liquor, which is typically produced and consumed locally, IMFL represents a more sophisticated and diverse category catering to a broad consumer base.

IMFL in Focus: Indian Made Foreign Liquor

Within the Spirits Market, IMFL refers to a category of liquors produced in India but influenced by foreign distillation methods. This segment includes various types of spirits, each with its own characteristics:

- **Whiskey:** Known for its diverse styles, including single malt, blended, and grain whiskey, offering a range of flavors from smoky to sweet.
- **Rum:** Embracing sweetness and often featuring spiced variations, Indian rum brings its own flair to the global rum scene.
- **Brandy:** Crafted from fermented fruit juices, Indian brandy offers a fruity and often smoother alternative to its international counterparts.
- **Vodka:** Prized for its neutrality, Indian vodka is versatile and serves as a base for a wide range of cocktails.
- **Gin:** Exhibiting herbal and botanical notes, Indian gin has gained popularity as consumers explore craft and artisanal options.

GROWTH DRIVERS

Change in demographics, coupled with the change in lifestyle is another major factor expected to foster the market of alcohol. The legal drinking age in India varies from state to state (*from 18 years to 25 years*), further indicate that India is ideal for the high growth of the alcohol market.

The outlook for the Indian alcoholic beverages continues to remain positive due to favorable demographics, expanding middle class, rising disposable income levels, greater preference for premium food and drink experiences and greater acceptance of alcoholic beverages in social circles. Increased consumption of liquor in rural areas will be another major reason for the growth in the market. Although the average per adult intake of alcohol is considerably low in India when compared to other countries such as the United States, drinkers among young Indians are more prevalent. This provides tremendous opportunity to drive growth of Alcobev industry on the back of its rising working age population. It is expected that per capita consumption will increase with changes in lifestyle and aspiration of the population.

The Indian market is huge and has great potential for all the players in this space, we firmly believe there is room for everyone in this industry. The age demographics are in India's favor and because of rapid urbanization, the industry will continue to witness healthy demand.

RISKS & CONCERNS, OPPORTUNITIES & THREATS

The risks and opportunities of all corporations are inherent and inseparable elements. Directors and management of the Company take constructive decisions to protect the interests of stakeholders.

RISKS & CONCERNS

- ✚ Liquor industry is dependent on the policies of the State Governments as potable liquor is a State Subject. There is a threat of imposition of prohibition on consumption of liquor as done in the States of Gujarat and Bihar.
- ✚ A slowdown in global economic growth due to the ongoing geopolitical tensions may lead to a reduction in disposable consumer income and a deceleration in the IMFL industry, which could adversely affect the Company's financial performance.
- ✚ Disruptions in the supply chain or limited availability of raw materials may create inflationary pressure, negatively impacting the Company's earnings.
- ✚ Shifts in consumer preferences toward alcoholic beverages may significantly impact demand for the Company's products.
- ✚ Prohibition in certain states poses a threat to legitimate sales and gives rise to inter-state smuggling impacting industry growth. This may also lead to a proliferation of country liquor sales in absence of / curtailed availability of branded products.
- ✚ The industry is exposed to multiple regulatory risks emanating from state taxes, and changes in regulations with respect to pricing, licensing, working of operating facilities, manufacturing processes, marketing, advertising, and distribution.

OPPORTUNITIES

- ✚ There is good opportunity in the liquor business as demand for potable liquor is showing a steady growth year on year.
- ✚ With rising disposable income and evolving consumer lifestyles presents significant opportunity to grow sales and expand margins.
- ✚ Low per capita consumption, rapid urbanization, favourable macroeconomic indicators, higher disposable incomes and evolving lifestyles bode well for the industry as a whole.
- ✚ Dynamic lifestyles and enhancing brand awareness.
- ✚ Expansion into new territories.
- ✚ Establishing brand value through mergers and acquisitions

THREATS

- ✚ Since the liquor industry is highly regulated by the State Governments, there is always a threat of change in the Government policies which can affect the industry.
- ✚ The attractive growth opportunities in the Indian liquor industry may heighten competition from both international and domestic players.
- ✚ Consumption de growth due to inflationary pressures and other macroeconomic factors.
- ✚ Availability and procurement of inputs.
- ✚ Growing health awareness among individuals, resulting in dietary shifts

INDEPENDENT AUDITOR'S REPORT

To The Members of SHRI GANG INDUSTRIES & ALLIED PRODUCTS LIMITED Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **SHRI GANG INDUSTRIES & ALLIED PRODUCTS LIMITED ("the Company")**, which comprise the Balance Sheet as at 31st March 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the statement of Cash Flows, the Statement of Changes in Equity for the year then ended, notes to the financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the financial statements).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("**the Act**") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("**Ind AS**") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and its profit, total comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibility for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. In our opinion, there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, but does not include the financial statements and our

auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above, when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude, that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Act

Referred to in paragraph 1(f) of the Independent Auditors' Report of even date to the members of SHRI GANG INDUSTRIES & ALLIED PRODUCTS LIMITED on the Financial Statements for the year ended 31st March 2024

We have audited the internal financial controls with reference to Financial Statements of **SHRI GANG INDUSTRIES & ALLIED PRODUCTS LIMITED** ("the Company") as of 31st March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management and Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note Issued by the ICAI.

Referred to in paragraph 2 of the Independent Auditors' Report of even date to the members of SHRI GANG INDUSTRIES & ALLIED PRODUCTS LIMITED on the Financial Statements as of and for the year ended 31st March, 2024

In terms of the information and explanation sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we report the following: -

- i) (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment and relevant details of right of use assets.

(B) The Company does not have any intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.
- (b) The Property, Plant and Equipment were not physically verified during the year as Management has a programme of verification at reasonable intervals which, in our opinion, provides for physical verification of all the Property, Plant and Equipment and right of use assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable property. Therefore, this clause is not applicable. However, the Company has leasehold land taken from UPSIDC for a lease term of 90 years.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including right of use assets) or intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii) (a) The physical verification of inventory (excluding stocks with third parties) has been conducted at reasonable intervals by the Management during the year. No inventory is lying with third parties. No discrepancies of 10% or more in aggregate for each class of inventory were noticed.
- (b) The Company has not been sanctioned any working capital limits in excess of Rs 5 crore from banks. However, company has been sanctioned working capital limits of Rs 4 Crore, sanctioned by the bank on the basis of security of current assets. Therefore, this clause is not applicable.
- iii) During the year, the company has not made investments in, or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Therefore, the reporting under clauses 3(iii)(a), 3(iii)(b), 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) are not applicable to the company.
- iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made, and guarantees and security provided by it.

- v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- vi) Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii) (a) According to the records of the Company and information and explanations given to us and the records of the Company examined by us, the Company has been regular in depositing the undisputed statutory dues including goods and service tax, provident fund, employees state insurance, income tax, sale tax, service tax, duty of customs, duty of excise, value added tax, Cess and other material statutory dues applicable to it with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were in arrears as at 31st March, 2024 for a period of more than six months from the date they became payable; except for the Deferred Trade Tax/ Vat amounting to Rs. 1410.66 Lakhs as mentioned in note no. 20 and 37 of these financial statements.

(b) There are no statutory dues, including goods and service tax, provident fund, employees state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, Cess and other material statutory dues which have not been deposited on account of any dispute.
- viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix)
 - a. According to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
 - b. The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
 - c. According to the records of the Company examined by us and the information and explanation given to us, term loans taken by the Company were applied for the purpose for which they were obtained.
 - d. On an overall examination of the financial statements of the Company, funds raised on short term basis have not been used during the year for long-term purposes.
 - e. On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary, associate or Joint venture.
 - f. The Company has not raised any loans during the year on the pledge of securities held in its subsidiary, joint venture or associate company.
- x)
 - a. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
 - b. According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.

- xi) **a)** No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
c) No whistle-blower complaints were received by the Company during the year (and upto the date of this report) and hence reporting under clause 3(xi)(c) of the Order is not applicable.
- xii) The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable.
- xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv) **(a)** In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date.
- xv) During the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable. In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii) The Company has not incurred cash losses during the current and the immediately preceding financial year.
- xviii) There has been no resignation of the statutory auditors of the Company during the year.
- xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx) (a) According to the information and explanations given to us, there is no unspent amount under sub-section (5) of section 135 of the Act pursuant to any project other than ongoing projects. Accordingly, clause 3(xx)(a) of the Order is not applicable.

(b) According to the information and explanations given to us, there is no unspent CSR amount as at Balance Sheet date under section (5) of section 135 of the Act, pursuant to any ongoing project, hence, reporting under clause 3(xx)(b) of the Order is not applicable.

1. CORPORATE INFORMATION

Shri Gang Industries and Allied Products Limited (hereinafter referred to as "**SGIAPL**" or "the Company") (CIN- L11011UP1989PLC011004) is a public limited company incorporated under the provisions of the Companies Act, 1956 having its registered office at Plot No. B-2/6 & 2/7, UPSIDC Industrial Area, Sandila Phase IV, Sandila Hardoi, Uttar Pradesh-241204, India and their corporate office at F-32/3, Ground Floor, Okhla Industrial Area, Phase- II, New Delhi-110020.

The Company was engaged in the business of manufacturing and Sale of Vanaspati, Refined Oils and Bakery Shortening. It manufactured these products under its brands, "Apna" and "Mr. Baker" through their plant situated at Sikandrabad, Uttar Pradesh (UP) and the sales were mainly in the State of Uttar Pradesh. The manufacturing activities at factory premises was suspended with effect from March 25, 2010 since the plant at Sikandrabad (UP) was quite old and required substantial capex towards technological up-gradation and addition of new equipment.

Due to this the company diversified into liquor business and set up Bottling Plant for Indian Made Foreign Liquor (IMFL) at Sandila, Dist. Hardoi, Uttar Pradesh which commenced commercial production in July 2020. The Company also set-up a Distillery unit as a backward integration of Bottling Plant. The Distillery unit commenced commercial production in September, 2022. The company is exclusively manufacturing IMFL for United Spirits Limited.

2. SIGNIFICANT ACCOUNTING POLICIES

a. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The company has adopted Indian Accounting Standards (Ind AS) with effect from 1st April 2017, with transition date of 1st April 2016, pursuant to notification issued by Ministry of Corporate Affairs dated 16th February 2015, notifying the Companies (Indian Accounting Standards) Rules, 2015. Accordingly, the financial statements comply with Ind AS prescribed under section 133 of the Companies Act, 2013 (the "Act"), read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, relevant provisions of the Act and other accounting principles generally accepted in India.

The financial statements upto and for the year ended on 31st March 2017 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended), as notified under section 133 of the Act (Previous Indian GAAP) and other relevant provisions of the Act.

The financial statements are prepared on the historical cost convention, except for certain financial instruments which are measured at fair value. Accounting policies have been consistently applied except where:

- i) A newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.
- ii) The Company presents an additional balance sheet at the beginning of the earliest comparative period when: it applies an accounting policy retrospectively; it makes a retrospective restatement of items in its financial statements; or, when it reclassifies items in its financial statements, and the change has a material effect on the financial statements.

All amounts are stated in Lakhs of Rupees, rounded off to two decimal places, except when otherwise indicated.

The financial statements were authorised for issue by the Board of Directors of the company on 28.05.2024.

b. CURRENT VERSUS NON-CURRENT CLASSIFICATION

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- a) it is expected to be realised in, or intended for sale or consumption in, the company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is expected to be realised within twelve months after the reporting period; or
- d) it is cash or cash equivalent unless it restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current assets

Liabilities

A Liability is classified as current when it satisfies any of the following criteria:

- a) it is expected to be settled in the Company's normal operating cycle;
- b) it is held primarily for the purpose of being traded;
- c) it is due to be settled within twelve months after the reporting period; or
- d) the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Terms of liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current liabilities.

c. USE OF ESTIMATES

The preparation of financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of Revenue, Expenses, Assets and Liabilities and disclosure of contingent liabilities at the end of the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

d. PROPERTY, PLANT AND EQUIPMENT

Initial recognition and measurement

The cost of an item of property, plant and equipment is recognized as an asset if, and only if:

- a) it is probable that future economic benefits associated with the item will flow to the entity; and
- b) the cost of the item can be measured reliably.

Property, Plant and Equipments ('PPE') are stated at cost of acquisition or construction including any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management less accumulated depreciation and cumulative impairment losses & net of recoverable taxes (net of Cenvat and VAT credit wherever applicable).

Borrowing Cost attributable to acquisition, construction of qualifying assets is capitalized until such time as the assets are substantially ready for their intended use. Indirect expenses during construction period, which are required to bring the asset in the condition for its intended use by the management and are directly attributable to bringing the asset to its position, are also capitalised.

Subsequent Measurement

Subsequent expenditure related to an item of PPE is added to its carrying amount or recognized as a separate asset, if appropriate and carrying amount of replacement parts is derecognized at its carrying value.

Spare parts or stores meeting the definition of PPE, either procured along with equipment or subsequently, are capitalized in the asset's carrying amount or recognized as separate asset, if appropriate. However, cost of day-to-day servicing are recognized in profit or loss as incurred. Cost of day-to-day service primarily include costs of labour, consumables, and cost of small spare parts.

An item of PPE is derecognized upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of Property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognized in profit or loss.

Transition to Ind AS

For transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at 1st April, 2015 measured as per previous GAAP and use that carrying value as the deemed cost of Property, Plant & Equipment.

Depreciation / amortization

- a. Depreciation on items of PPE is provided on straight line method in accordance with the useful life as specified in Schedule II to the Companies Act, 2013.
- b. Depreciation on additions to assets or on sale/discard of assets is calculated pro-rata from the date of such addition or up to the date of such sale / discard.
- c. Assets residual values and useful lives are reviewed and adjusted, at the end of each reporting period.

The following useful lives are applied:

Asset Category	Useful Life
Building	
----- Factory Buildings	30 years
----- Building (other than factory buildings)	60 years
----- Other (including temporary structure, etc.)	05 years

----- Leasehold Building Improvements	Over the lease period
Plant and Equipment	10-25 years
Furniture and Fittings	10 years
Office Equipment	5 years
Computers	
----- Servers and networks	06 years
----- End user devices viz. desktops, laptops, etc.	03 years

e. CAPITAL WORK-IN-PROGRESS

Capital Work in Progress comprises of Property, Plant and Equipment that are not ready for their intended use at the end of reporting period and are carried at cost. Cost includes related acquisition expenses, construction cost, borrowing cost capitalized and other direct expenditure. At the point when an asset is capable of operating in the manner intended by management, the cost of construction is transferred to the appropriate category of Property, Plant and Equipment. Costs are capitalised till the period of assets are substantially ready for their intended use. Depreciation is not recorded on capital work-in-progress until construction and installation is complete and the asset is substantially ready for its intended use.

f. RIGHT OF USE ASSETS

Company as a Lessee

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain.

The company recognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

Finance lease

The Company has entered into land lease arrangement at various locations for a period of 90 years. In case of lease of land for 90 years and above, it is likely that such leases meet the criteria that at the inception of the lease the present value of the minimum lease payments amounts to at least substantially all of the fair value of the leased asset. Accordingly, the Company has classified leasehold land as finance leases applying Ind AS 17. For such leases, the carrying amount of the right of-use asset at the date of initial application of Ind AS 116 is the carrying amount of the lease asset on the transition date as measured applying Ind AS 17. Leasehold land is amortised on a straight-line basis over the unexpired period of their respective lease. Leasehold improvements are depreciated on straight line basis over their initial agreement period.

g. INTANGIBLE ASSETS

Intangible assets with finite useful life are stated at cost of acquisition, less accumulated depreciation/ amortisation and impairment loss, if any. The cost of Intangible Assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities). Amortisation is recognised in Statement of Profit and Loss account on straight-line basis over estimated useful lives of respective intangible assets, but not exceeding useful lives given hereunder:

Asset Category	Useful Life
Computer Software	05 years

An item of Intangible Asset or any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal.

Any gain or loss arising on de-recognition of the asset (calculated as the difference between net disposal proceeds and carrying amount of the asset) is included in Statement of Profit and Loss Account when asset is derecognised.

h. FINANCIAL INSTRUMENTS

1. Financial Assets

Initial recognition and measurement

Financial Assets are recognised when the Company becomes a party to contractual provisions of Financial Instrument. Financial assets are initially measured at Fair Value. Transaction costs that are directly attributable to acquisition of financial assets (other than financial assets at Fair Value through Profit or Loss) are added to fair value of financial assets. Transaction costs directly attributable to acquisition of financial assets at Fair Value through profit or loss are recognised immediately in statement of Profit and Loss.

Subsequent measurement

I. Debt Instruments at Amortised Cost

A 'debt instrument' is measured at amortised cost if both of the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on principal amount outstanding.

After initial measurement, such Financial Assets are subsequently measured at amortised cost using Effective Interest Rate (EIR) method. All other debt instruments are measured at Fair Value through Other Comprehensive Income (FVOCI) or Fair Value through Profit and Loss (FVTPL) based on the Company's business model.

II. Equity Investments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through Profit and Loss (FVTPL). For all other equity instruments, the Company decides to classify the same either as at Fair Value through Other Comprehensive Income (FVOCI) or Fair Value through Profit and Loss (FVTPL) on an instrument-to-instrument basis.

III. Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on financial assets that are debt instruments, and are measured at amortised cost e.g., Loans, Debt Securities, Deposits and Trade Receivables or any contractual right to receive cash or another financial asset that result from transactions that are within scope of Ind AS 115.

The Company follows 'Simplified Approach' for recognition of impairment loss allowance on trade receivables. Application of simplified approach recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognising impairment loss allowance based on 12 month ECL.

ECL impairment loss allowance (or reversal) recognized during the period is recognized under the head 'Other Expenses' in the statement of Profit and Loss. The Balance Sheet presentation for various financial instruments is described below:

i. Financial assets measured as at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. This allowance reduces the net carrying amount.

ii. Debt instruments measured at FVTPL: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Change in fair value is taken to the statement of Profit and Loss.

iii. Debt instruments measured at FVTOCI: Since financial assets are already reflected at Fair Value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as 'Accumulated Impairment Amount' in the Other Comprehensive Income (OCI). The Company does not have any Purchased or Originated Credit Impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/origination.

IV. Derecognition of Financial Assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

i. The rights to receive cash flows from asset has expired, or

ii. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass through' arrangement and either:

(a) The Company has transferred substantially all risks and rewards of the asset, or

(b) The Company has neither transferred nor retained substantially all risks and rewards of the asset but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates, if and to what extent it has retained risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects rights and obligations that the Company has retained.

2. Financial liability

Initial recognition and measurement

Financial liabilities are classified at initial recognition as:

- a. Financial liabilities at fair value through Profit or Loss
- b. Loans and Borrowings
- c. Payables

All financial liabilities are recognised initially at fair value and in case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs.

Subsequent measurement

Measurement of financial liabilities depends on their classification as below:

- a. **Financial liabilities at Fair Value Through Profit or Loss (FVTPL):** Gains or losses on liabilities are recognised in the statement of profit and loss. Financial liabilities designated upon initial recognition at fair value through statement of profit and loss are designated as such at the initial date of recognition, and only if criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/losses attributable to changes in own credit risk is recognized in OCI. These gains/losses are not subsequently transferred to statement of profit and loss. However, the Company may transfer cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss.
- b. **Loans and Borrowings:** After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (hereinafter referred as EIR) method. Gains and Losses are recognised in statement of profit and loss when liabilities are derecognised as well as through EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of EIR. EIR amortisation is included as Finance Costs in the statement of profit and loss.
- c. **Trade and Other Payables:** These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid.

Derecognition of Financial liability

A Financial Liability is de-recognised when obligation under the liability is discharged or cancelled or expires.

i. INVESTMENTS

Subsidiaries

As per Ind AS 27, Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns.

Investments in subsidiaries are carried at cost as per Ind AS 27.

Associates and Joint Ventures

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to net assets of joint venture. Joint control is contractually agreed sharing of control of an arrangement, which exists only when decisions about relevant activities require unanimous consent of parties sharing control.

An associate is an entity over which the Company has significant influence. Significant influence is power to participate in financial and operating policy decisions of investee but is not control or joint control over those policies.

Investment in joint ventures and associates are carried at cost as per Ind AS 27. Cost comprises price paid to acquire investment and directly attributable cost.

j. INVENTORY

S. No.	Particulars / Item Type	Method of Valuation
1	Raw Material, Packing Material & Consumables (including in transit)	At Cost including direct procurement Overhead / Taxes.
2	Finished Goods (including in transit)	At cost or net realisable value, whichever is lower
3	Stock in process	At cost
4	By Products	At net realisable value
5	Loose Tools	At cost and charged off when discarded

In the above, cost is arrived at by FIFO cost method. In case of Finished Goods and Stock in Process, it also includes manufacturing & related establishment overheads, depreciation etc.

All the spares, which are primarily meant to be used for capitalization (except consumables and maintenance stores), are considered as part of the plant & machinery and shown accordingly.

k. CASH AND CASH EQUIVALENTS

Cash and Cash Equivalents comprise Cash in Hand, Balances in Bank Account, Remittance in Transit, Cheques in hand and Demand Deposits, together with other short-term, highly liquid investments (original maturity less than 3 months) that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

I. TAXES

Current Income Tax

Current Income tax assets and liabilities are measured at amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside Profit and Loss is recognised outside profit and loss (either in Other Comprehensive Income or in Equity). Current tax items are recognised in correlation to underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred Income Taxes are calculated using Balance Sheet Approach, on temporary differences between tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when it is probable that temporary differences will not reverse in foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences and carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to extent that it is probable that taxable profit will be available against which deductible temporary differences and carry forward of unused tax credits and unused tax losses can be utilized.

Carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and same taxation authority.

Tax expense for the year comprises of current tax and deferred tax.

Indirect Taxes

Expenses and Assets are recognised net of the amount of Indirect Taxes viz. GST/VAT, except when the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, indirect tax is recognised as part of cost of acquisition of asset or as part of expense item, as applicable.

Excise Duty

Excise Duty has been accounted on the basis of both payments made in respect of goods cleared and also provision made for goods lying in factory premises. Cenvat credit is accounted on accrual basis on purchase of materials.

m. REVENUE RECOGNITION

Revenue from contracts

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentive schemes, if any, as per contracts with customers. Taxes collected from customers on behalf of Government are not treated as Revenue.

Interest Income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is rate that exactly discounts estimated future cash receipts through expected life of the financial asset to gross carrying amount of a financial asset. When calculating effective interest rate, the Company estimates expected cash flows by considering all contractual terms of financial instrument but does not consider expected credit losses.

Other Income

Other claims including interest on outstanding are accounted for when there is virtual certainty of ultimate collection.

n. EMPLOYEE BENEFIT SCHEMES

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, performance incentives and compensated absences which are expected to occur in next twelve months.

Compensated Absences

Company provides for encashment of accumulated leaves with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment/availment. The liability is provided based on number of days of unutilized leave at each Balance Sheet date on basis of an independent actuarial valuation.

Gratuity

Liabilities with regard to gratuity benefits payable in future are determined by actuarial valuation at each Balance Sheet date using the Projected Unit Credit method. Actuarial gains and losses arising from changes in actuarial assumptions are recognized in Other Comprehensive Income and shall not be reclassified to the Statement of Profit and Loss in subsequent period.

Provident Fund

Eligible employees of the Company receive benefits from a Provident Fund, which is a defined benefit plan. Both the eligible employee and the Company make monthly contributions to provident fund plan equal to a specified percentage of covered employee's salary.

o. FOREIGN CURRENCY

Functional and presentation currency

The management has determined the currency of the primary economic environment in which the company operates i.e., functional currency, to be Indian Rupee (INR). The financial statements are presented in Indian Rupee in lakhs, which is company's functional and presentation currency.

Transactions and balances

Foreign Currency transactions during the year are recorded at rates of exchange prevailing on the date of transaction in the functional currency. Foreign currency monetary assets and liabilities are translated at using the year-end exchange rate. Exchange gains and losses are duly recognised in the Statement of profit and loss. All monetary assets and liabilities in foreign currency are restated at the end of the accounting period.

p. EARNINGS PER SHARE

- a. **Basic EPS** is calculated by dividing profit/ (loss) attributable to equity shareholders of the Company by weighted average number of equity shares outstanding during the period.
- b. **Diluted EPS** is computed using profit/ (loss) for the year attributable to shareholder' and weighted average number of equity and potential equity shares outstanding during the period, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

q. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

The assessments undertaken in recognising provisions and contingencies have been made in accordance with applicable Ind AS. Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Provisions

Provisions represent liabilities to the Company for which amount, or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in the statement of profit and loss as a finance cost.

Contingent Liabilities

In normal course of business, contingent liabilities may arise from litigation and other claims against the Company. There are certain obligations which management of the Company has concluded, based on all available facts and circumstances, are not probable of payment or are very difficult to quantify reliably, and such obligations are treated as contingent liabilities and disclosed in the notes but are not reflected as liabilities in the financial statements. Claims against the Company, where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities. Show Cause Notices received are not treated as Contingent Liabilities. Although there can be no assurance regarding the final outcome of the legal proceedings in which the Company is involved, it is not expected that such contingencies will have a material effect on its financial position or profitability.

Contingent Assets

Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

r. CASH FLOW STATEMENT

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit/ (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flows from operating, investing and financing activities of the Company are segregated based on available information.

s. SEGMENT REPORTING

The company has two business segments- Edible Oil Operations and Liquor Operations and segment-wise results, assets and liabilities are accordingly given.

t. FAIR VALUE MEASUREMENT

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurement is based on presumption that transaction to sell asset or transfer liability takes place either:

- i. In the principal market for asset or liability, or
- ii. In absence of a principal market, in most advantageous market for asset or liability.

The principal or the most advantageous market must be accessible to the Company. Fair Value of an asset or liability is measured using assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using asset in its highest and best use or by selling it to another market participant that would use asset in its highest and best use.

The Company uses valuation techniques that are appropriate in circumstances and for which sufficient data are available to measure fair value, maximising use of relevant observable inputs and minimizing use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in

the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which lowest level input that is significant to fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which lowest level input that is significant to fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorization (based on the lowest level input that is significant to fair value measurement as a whole) at end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

u. EXCEPTIONAL ITEMS

Exceptional items are transactions which due to their size or incidence are separately disclosed to enable a full understanding of the Company's financial performance. Items which may be considered exceptional are significant restructuring charges, gains or losses on disposal of investments of subsidiaries, associate and joint ventures and impairment losses/write down in the value of investment in subsidiaries, associates and joint ventures and significant disposal of fixed assets.

Note 46: Fair Value Measurements

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction

between market participants at the measurement date. Fair value measurement is based on presumption that transaction to sell asset or transfer liability takes place either:

- i. In the principal market for asset or liability, or
- ii. In absence of a principal market, in most advantageous market for asset or liability.

Fair Value of an asset or liability is measured using assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using asset in its highest and best use or by selling it to another market participant that would use asset in its highest and best use.

The Company uses valuation techniques that are appropriate in circumstances and for which sufficient data are available to measure fair value, maximising use of relevant observable inputs and minimizing use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which lowest level input that is significant to fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which lowest level input that is significant to fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to fair value measurement as a whole) at end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(A) Carrying amounts of Financial Assets and Financial Liabilities in each category are as follows

	As at 31 March 2024		As at 31 March 2023	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Financial Assets				
At amortised cost				
Trade receivable	270.96	270.96	287.26	287.26
Cash & Cash Equivalents and other bank balances	205.51	205.51	110.03	110.03
Other Financial Assets	327.38	327.38	285.86	285.86
Total	803.85	803.85	683.15	683.15

Financial Liability				
At amortised cost				
Borrowings including short term	12,749.02	12,749.02	12,436.87	12,436.87
Lease liabilities including short term	68.38	68.38	79.52	79.52
Trade payables	2,020.78	2,020.78	2,770.62	2,770.62
Other financial liabilities	2,516.88	2,516.88	3,394.28	3,394.28
Total	17,355.06	17,355.06	18,681.29	18,681.29

- Carrying amount of Trade Receivables, Trade Payables, other financial assets, other financial liabilities and Cash & Cash Equivalent are considered to be the same as their Fair Value due to their short term nature.
- Carrying amount of Financial Assets and Liabilities carried at Amortized Cost is considered a reasonable approximation of Fair Value.

Note 47: Financial Risk Management Objectives and Policies

The Company's Corporate Treasury function provides services to the business, co-ordinates access to domestic market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk. The company does not have foreign trade transactions nor any foreign currency transactions. The Board of Directors manages the financial risk of the company through internal risk reports and analyse exposure by magnitude of risk.

The Company's overall risk management procedures to minimise potential adverse effects of financial market on the Company are as follows:

A. Market Risk

Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables or payables. It includes three types of risks: a) Interest rate risk, b) Currency risk and c) price and commodity risk.

- A) Interest Rate Risk: The Company's borrowings are at fixed rates. Therefore, interest rate risk does not have any major impact on the company.
- B) Currency Risk: Since, Company does not have any foreign currency dealings, this risk is not applicable to the Company.
- C) Price and commodity risk: The Company majorly purchases Spirits and Grain in its manufacturing. Since, prices are generally regulated, there are no major movements in the prices. Therefore, the adversity of this risk is low.

B. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument leading to a financial loss. The Company's exposure to credit risk primarily consists of Trade receivables and other financial assets. The Company deals with only few customers since liquor operations are government regulated. Therefore, default risk on the part of debtors is significantly low.

C. Liquidity Risk

The Company's principle source of liquidity are Cash and cash equivalents and cash generated from operations. The Company manages its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay. The Company has developed appropriate internal control systems and contingency plans for managing liquidity risk.

Note 48: Capital Management

A. Risk Management

Capital management is driven by Company's policy to maintain a sound capital base to support the continued development of its business. The Management and Board of Directors seeks to maintain a prudent balance between different components of Company's capital. Management monitors capital structure and net financial debt at individual currency level. Net financial debt is defined as current and non-current financial liabilities including lease liabilities less cash and cash equivalents and short term investments.

The capital structure is governed by policies approved by the Board of Directors and monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, lease liabilities, less cash and cash equivalents.

Note: 50 During the year, the Company has earned a profit of Rs. 1480.88 lakhs (Previous year Rs. 1315.30 lakhs). However due to operational losses in earlier years, there has been erosion of its net worth due to which the Company has accumulated losses amounting to Rs. 4788.42 lakhs as at 31 March 2024 (31 March 2023: Rs. 6269.30 lakhs). However, in the view of the fact the company has earned a profit of Rs. 1480.88 lakhs during the year and Management is of the view that after the commissioning of Distillery unit in September 2022, the company is expected to earn profits in the coming years. Therefore, Company does not anticipate that it will not be able to realize its assets and discharge its liabilities in the normal course of business. Accordingly, the company has prepared these financial statements on a going concern basis.

Note: 51 Previous year's figures have been regrouped/reclassified, wherever considered necessary, to conform to current year's classification.
