POLICY FOR DETERMINATION OF MATERIALITY FOR DISCLOSURE OF EVENT OR INFORMATION

1. PREFACE

In order to enable investors to make well-informed investment decisions, timely, adequate and accurate disclosure of information on an ongoing basis is essential. Towards this end, Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as “**SEBI Listing Regulations**”) requires the Company to frame a Policy for determination of materiality, based on the criteria mentioned in the said Regulation, duly approved by the Board of Directors of the Company and disclosed on Company website.

The Securities and Exchange Board of India (SEBI) through its Circular dated 13 July, 2023 on “Disclosure of material events / information by listed entities under Regulations 30 and 30A of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015”, provides guidance to listed entities specifying the details to be provided while disclosing events, the timelines to be adhered and also the criteria for determination of materiality of events / information and when an event/ information can be said to have occurred.

The present Policy on Determination of Materiality is therefore developed under the mandate of Regulation 30 of the SEBI Listing Regulations, setting forth the elementary aspects regarding disclosure practice to be followed by the Company as a transparent and responsible corporate citizen.

Regulation 30(4)(ii) of SEBI Listing Regulations requires every listed entity to formulate a policy for determination of materiality of an event or information for the purpose of making disclosures to the stock exchanges and such policy is required to be disclosed on the Company's website.

2. PURPOSE

The Policy is framed in accordance with the requirements of the Regulation 30 (4) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The purpose of this Policy for determination of materiality for disclosure of event or information (“**Policy**”) is to fix criteria for determination of materiality of events or information in relation to Shri Gang Industries and Allied Products Limited (“**Company**”) and to assist employees in identifying and reporting material events to KMP, to ensure timely and adequate disclosure of material events/information to the stock exchanges.

In terms of the SEBI Listing Regulations, the events that need to be disclosed are broadly divided in two categories and specified in Part A of Schedule III.

DEEMED MATERIAL EVENTS: Events or information specified in Para A of Part A of Schedule III of the SEBI Listing Regulations will be deemed to be material and disclosed to the Stock Exchanges without any application of guidelines for assessing materiality.

EVENTS TO BE TESTED FOR MATERIALITY: Events or information specified in Para B of Part A of Schedule III of the SEBI Listing Regulations will be disclosed to the Stock Exchanges upon application of the guidelines for assessing materiality.

3. INTERPRETATION

In any circumstance where the terms of this policy differ from any existing or newly enacted law, rule, regulation or standard governing the Company, the law, rule, regulation or standard shall take precedence over these policies and procedures until such time as this policy is changed to conform to the law, rule, regulation or standard.

4. CRITERIA FOR DETERMINATION OF MATERIALITY OF EVENTS OR INFORMATION:

A. Qualitative criteria:

Qualitative criteria would mean an event/ information:

- i. the omission of an event or information, which is likely to result in discontinuity or alteration of event or information already available publicly; or
- ii. the omission of an event or information is likely to result in significant market reaction if the said omission came to light at a later date; or
- iii. any other event/information may be treated as being material if in the opinion of the Board of directors of Company, the event / information is considered material.

B. Quantitative criteria:

Quantitative criteria would be calculated based on audited consolidated financial statements and would mean the omission of an event/ information whose value involved or the expected impact in terms of value, exceeds the lower of the following:

- i. **2% (two per cent)** of consolidated turnover, as per the last audited consolidated financial statements of the Company; or
- ii. **2% (two per cent)** of consolidated net worth as per the last audited consolidated financial statements of the Company (except in case the arithmetic value of the net worth is negative); or
- iii. **5% (five percent)** of average of *absolute value of consolidated profit or loss after tax for last 3 years, as per the last 3 (three) audited consolidated financial statements of the Company.

**In terms of the SEBI Circular, the average of absolute value of profit or loss is required to be considered by disregarding the 'sign' (positive or negative) that denotes such value as the said value / figure is required only for determining the threshold for 'materiality' of the event and not for any commercial consideration.*

In case where the criteria above is not applicable, an event or information may be treated as being material if in the opinion of the Board of Directors of the Company/ KMPs authorized by the Board of Directors for this purpose, the event or information is considered material.

5. CRITERIA FOR DETERMINING MATERIALITY OF AN EVENT WHEN AN EVENT/INFORMATION HAS OCCURRED

- a. In certain instances, it would depend upon the stage of discussion, negotiation or approval. In that case, the events/information can be said to have occurred upon receipt of approval of the Board and/or upon the receipt of approval of both the Board and the Shareholders.

However, for events where the price sensitivity factor is involved: e.g. – decision on declaration of dividends etc., the disclosure shall be made on receipt of approval of the event by the Board of Directors, pending Shareholders' approval.

- b) In certain instances, where no such discussion, negotiation or approval is involved, the event/information can be said to have occurred when a Company becomes aware of the event/information, or as soon as, an officer of the Company has, or ought to have reasonably come into possession of the information in the course of the performance of the duties.
